The last heard of the Chariton
Recorder it was still parading its
perfidy to a part of the county
Democratic ticket at the last
general election. Thanks for
the Recorder's assistance in
keeping this act of its editor's
treachery before the public. It
can not be made too strong. The
Democratic party must rid itself
of those who desert its ranks, in
whole or in part, when the great
battle of the ballot is on. Tried
and true Democrats are the only
kind that will do to tie to.

In the death of Miss Ada
Shannon, principal of the Men-
don public school, Chariton
county loses one of its brightest
and best teachers as well as a
noble woman. She had been a
teacher for many years and the
good impression she made upon
her pupils will be a living monu-
ment to her memory and useful
life. She was a daughter of the
late Mr. and Mrs. Chas. Shan-
non, and was born and reared
about seven miles southeast of
Keytesville. Her remains were
taken to Salisbury and laid to
rest beside those of her parents.
She will be missed by all who
knew and loved her for her ex-
alted character which always
tended to refine and elevate
those with whom she came in
contact. The death of such as
she is a great loss and will be
keenly felt, not only by her
brothers, John B. and C. W., and
sister, Miss Mattie, but also by
many, many friends.

The COURIER is not endeavor-
ing to monopolize the patronage
of our county Democratic officials,
but we insist that they owe all of
their official patronage to Demo-
cratic organs and should not
give a cent of it to mugwumps.
There are four Democratic news-
papers in Chariton county, the
Salisbury Democrat, the Salis-
bury Press-Spectator, the Week-
ly Brunswicker and the CHARITON
COURIER. It is a precious and
sacred privilege of Democratic
officials to patronize either of
these Democratic journals, and
we believe it to be their plain
duty, but we do object to their
throwing one jot or tittle of their
work to an editor who did not
support the whole Democratic
ticket and we intend to fight it out
on that line and ask the co-opera-
tion of every loyal Democrat in
Chariton county. We believe we
will get it and have no fear of
the result.
